SALES MANAGER  
IS BACK ON JOB

Shardlow is Well, Cheerful and Happy Since He Began Taking Tanlac.

One of the distinguishing features in connection with the introduction and sale of Tanlac throughout America is the large number of travelling men who have been benefited by its use. From Maine to California and from the Gulf to Northern Canada men representing almost every line of business have testified to the remarkable and gratifying results obtained by taking Tanlac.

One of the latest of those to endorse Tanlac is H. Shardlow, sales manager for the Solar Illuminating Co., of Chicago, who lives at the Hotel Stowell, Los Angeles, Cal.

"Tanalac is the finest medicine I have ever run across," said Mr. Shardlow recently. "I gained nine pounds on three bottles and have gotten rid of a case of stomach trouble that nearly cost me my life. For several months I had suffered terribly from acute gastritis and was very nervous. Everything I would eat soured and formed gas, my chest and lungs would pain me and my heart palpitate so at times I would almost faint. I have walked the floor for hours in misery and have been forced to spend days at a time in bed. I lost nineteen pounds, was a nervous wreck and had to give up all idea of business."

"I had the best treatment and medicine and was put on a special diet but got no better, and was finally told that only an operation would relieve my trouble. One day while in El Paso, Texas, I had an attack that almost proved fatal. I had been reading about Tanlac and immediately tried it. Thanksgiving Day I was sick,

blue and discouraged, but since taking Tanlac I can enjoy a good meal and feel well, cheerful and happy. It gives me pleasure to recommend Tanlac and I hope all sufferers from stomach troubles may be induced to try it."

Tanalac is sold in Cedar City by the Cedar City Drug Co. and in Parowan by the Parowan Drug Co.

George Corry has sold his home to Lyle McConnell and is moving to Delta.

## WOMEN ANSWERING OUR FOOD PROBLEM

Ohio farmers are proving that a real agriculturist cannot be defeated—that he will overcome all obstacles. Ohio, more than any other state, it seems, is suffering from the farm labor shortage. The tractor—and the farmer's wife as operator—is proving the answer. One farm-tractor—with a woman operating it—can do the work of three plows, three men and six horses. It is another triumph for farm women. They are helping to keep famine from all our doors.
